Second Defendant

CLAIRE LOUISE SANDBROOK

High Court Enforcement Officer

ORDER

UPON the Claimant/Respondent (“the Claimant”) having had issued a Writ of Control (“the Writ”) out of the Central Office following a N293A Form and Certificate (“the N293A”) having been signed and sealed and dated 9 February 2025 by a Court Officer of the County Court sitting at Barnstaple in relation to three money judgments and orders (“the County Court Orders” and all of which were made by HHJ Mitchell) in relation to costs made in the County Court against the First Defendant on 21 March 2025 and 29 October 2025 and 15 December 2025

AND UPON the N293A also having had its Part 3 completed by the Court Officer with a stamp of 9 February 2025 and the seal of a District Registry and which this Court has concluded was the seal of the Barnstaple District Registry

AND UPON this Court concluding from the above that enforcement of the County Court Orders had been transferred to the High Court under Civil Procedure Rules (“CPR”) 40.14A and 83.19 but so that enforcement was proceeding in the Barnstaple District Registry (and not in Central Office) and so that (both generally and under CPR23.2(6)) the Writ should have been issued out of the Barnstaple District Registry and so that any application regarding it should be made to the Barnstaple District Registry

AND UPON the Court waiving the above errors of procedure and making the Orders below (but reserving costs) under the provisions of CPR3.10

AND UPON the First Defendant having issued an Application Notice (“the Application”) dated 26 February 2026 to have the Writ set aside or stayed

AND UPON the First Defendant having sought to bring an appeal against a judgment of HHJ Mitchell and which may amount indirectly to an appeal against one or more of the County Court Orders to the High Court and which appeal is in the Bristol District Registry under Appeal No. KA-2025-BRS-000045 (“the Present Appeal”) and where by Order sealed on 27 January 2026 HHJ Bloom KC refused to stay the costs order of 29 October 2025 (but which refusal the First Defendant wishes to challenge) AND where the First Defendant may wish to seek to bring other appeals including against the County Court Orders and to seek necessary permissions to appeal and extensions of time for appealing

AND UPON the Second Defendant having stated that there are no goods of the First Defendant at the premises named in the Writ against which the Writ may be properly executed But the Court not having made any determination as to the correctness of such statement

AND UPON the First Defendant stating that they do not have any Form N460 relied upon by the Claimant in relation to the order of 21 March 2025 and the Court suggesting (but not ordering) that the Claimant might search for and send a copy of such to the First Defendant

AND UPON the Court having directed a stay of the Writ until further order and that this hearing take place by order of 2 March 2026

AND UPON HEARING the Claimant in person and the First Defendant in person and the Second Defendant in person and the High Court Enforcement Officer (and who accepted that the Writ should not have been issued out of Central Office) in person

AND UPON the Court having had regard to the fact that the parties were acting in person and some were potentially vulnerable and to CPR1.1, 1.6, 3.1A and Practice Direction 1A

IT IS ORDERED THAT: -

1. The Writ and the Application shall be transferred to the Bristol District Registry and with the Application to be placed before the High Court Judge dealing with the Present Appeal.
2. The Stay shall continue until 4.30pm on 13 April 2026 (with any application to extend it to be made to the Bristol District Registry).
3. Costs reserved.
